Dear Sir or Madam,

I am requesting an interim use permit for the fenced lot at the west end of our property at 8330 Pillsbury Ave South. The southern half of this lot will be used by Great American Marine and the northern half will be used by General Services Transportation. Great American Marine's business is the sale and service of boats. General Services Transportation's is the hauling of dirt etc. 5 dump trailers and 3 tractors. Attached are drawings of the parking lot.

Thank You

Dean Nephew
